The Company has not underwritten any insurance business during the period but earned a rental income of Rs. 150,000 from its Investment Property business during the period. Furthermore, a credit balance of Rs. 1,448,238 was appearing in the books of accounts of the Company due to other insurers/re-insurers and was written off during the first half of the six months ended on June 30, 2016 being untraceable despite various efforts for more than 10 years. The Company was engaged in general insurance business comprising of fire, marine, motor, engineering etc. With the promulgation of the Insurance Ordinance 2000, the requirement of minimum paid up capital for an insurer to operate as an insurance company has been enhanced to Rs. 350 million. The Company does not find itself in a position to increase its paid up capital to the required minimum level and has ceased to underwrite insurance business w.e.f. January 01, 2003.

Subsequently in the Annual General Meeting of the members held on April 30, 2016, the Members have resolved that they are not interested to inject the above mentioned huge amount of required minimum paid up capital to be Rs. 350 million upto June 30, 2016. However, the future outlet is also dependent on improved political situation in the region, besides the continuation of economical and fiscal policies by the government, all economic indicators are, however, reasonably not positive and shall lead to a nominal growth during the year 2016.

Auditors of the Company could not form a favorable opinion due to the suspended operations of the Company mainly on going concern and certain other issues. Their basis of opinion in the fact of not so far having the minimum level of paid-up capital of Rs. 350.00 million and other issues as specified in the auditor's review report. We are however, making all our efforts to reviving the business of the Company and are striving our best to come up with the solutions for all other issues as specified by the Auditors.

- iii. condensed interim statement of comprehensive income;
- iv. condensed interim statement of changes in equity;
- v. condensed interim statement of cash flows;

of Hallmark Insurance Company Limited ("the Company") as at 30 June 2016 together with notes forming part thereof (here-in-after referred to as the "condensed interim financial information") for the six months period then ended. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for Interim Financial Reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Because of the matters described in the Basis for Disclaimer of Conclusion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to express a conclusion on this condensed interim financial information.

Basis for Disclaimer Conclusion

1. The Insurance Ordinance, 2000 requires the minimum capital of Rs. 300 million to be maintained by Insurance Company; the Company does not find itself in position to increase its paid-up capital, and does not comply with this solvency requirements.
2. The Company earned a net profit of Rs. 55,000 during the period of Six months ended June 30, 2016. However, the Company's accumulated loss is amounted to Rs. 3,706,397 and its total current liabilities exceeded its current assets by Rs.

- 443,241. These conditions, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. This condensed interim financial information does not include any adjustment that would result if the company was unable to continue as a going concern. Furthermore, no disclosure has been made in the condensed interim financial information regarding the financing plans for the revival of the Company.
3. The Company could not reconcile its accounts with Pakistan Reinsurance Corporation Limited.
 4. The commercial operations of the Company were suspended from January 01, 2003. Due to discontinued operations, depreciation for the period of six months amounting to Rs. 46,842 has not been charged in this condensed interim financial information. Had the depreciation been charged, the accumulated loss would have been increased by Rs. 46,842 and the written down value of fixed assets would have been reduced by Rs. 46,842.
 5. As disclosed in the condensed interim financial information, the Company has land acquired for a value of Rs. 800,000 which is classified as investment property, however no title documents of this land were provided to us for our verification.
 6. Due to non availability of records and direct confirmation, we were unable to verify bank balances amounting to Rs. 26,445.
 7. As disclosed in Note 1, the members and Directors decided in the Annual General Meeting, held on April 30 2016, to surrender the insurance license before the Insurance Division and remove the company's name from the Insurance ambit to diversify the nature of insurance business.

Disclaimer Conclusion

Because of the significance of matters described in the Basis for Disclaimer of Conclusion paragraphs, based on our review, we have not been able to draw a conclusion as to whether the annexed condensed interim information presents fairly, in all material respects, the financial position of the Company as at June 30, 2016 and of its financial performance and its cash flows for the period then ended, in accordance with approved accounting standards as applicable in Pakistan.

Other matters

The figures for the three months period ended June 30, 2016 in the accompanying condensed interim financial information have not been reviewed and we do not express conclusion thereon.
