REPORT OF DIRECTORS TO THE MEMBERS

The Directors of the Company are pleased to present before you the Financial Statements of the Company for the quarter ended March 31, 2016.

The Company result shows net profit of Rs. 817,132 during the period under review, which has resulted in a decrease of accumulated losses to Rs. (3,761,397) carried forward to the Balance Sheet. The Company has not underwritten any insurance business during the period but earned rental revenue of Rs. 75,000 from its Investment Property business during the quarter. Also, during the period under review certain balances appearing in the balance sheet for very long time were written off after performing thorough verification and cross confirmations from the relevant parties.

Future Prospects

The Company's insurance business has continued to be dormant since many years mainly because of suspension of its Insurance license by the Securities and Exchange Commission of Pakistan (SECP) due to the provision of the Insurance Ordinance, 2000 wherein the minimum paid up capital requirement for the registered insurance companies providing Non-life Insurance business services in Pakistan are now required to enhance its Paid Up share Capital up to minimum of Rs. 400 million and Rs. 500 million as on December 31, 2016 and 2017 respectively. At present the paid up capital of the Company is Rs.5 million and not only the paid up capital but also the required level of the statutory deposits of the company is need to be enhanced.

The Securities and Exchange Commission of Pakistan (SECP) has been enforcing strict compliance towards the regulations on the insurance sector and issued more stringent solvency requirements on insurers. Keeping in view of the above requirements and the shareholders capability towards enhancement of Share Capital from Rs. 5 million to Rs. 400 million this year with subsequent increase of Rs. 100 million by next year; the Directors of the Company have proposed concluded that this capital intensive investment will not be possible for the members of the Company and thus we are suggesting to de-register the company from the SECP as an Insurer and to register in some other business class with the approval of the members of the Company.

In this manner, the Board of Directors have recommended to the members to approve the appointment of a Consultant who shall assess the company's financial strength and study the market need and accordingly submit its report as Proposed Business Plan of the Company. The members have passed the resolution in the Annual General Meeting held earlier today.
