Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. (d) in our opinion, no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980.

We draw attention towards.

1. note 1 to the financial statements whereof the accumulated loss of the Company stood at Rs. 3.940 million (2015: 4.578 million) as at year end. Moreover, the commercial operations of the Company have been suspended from January 1st, 2003. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. Hence, the underlying going concern assumption will depend upon the mitigating factors as mentioned in note 1 to the financial statements.
2. note 2.1 to the financial statements whereof the statements and disclosures required by Insurance Ordinance, 2000 and SEC (Insurance) Rules, 2002 have not been presented as during the year no activity in respect of insurance business was carried on and the company's registration under Insurance Ordinance, 2000 has been revoked therefore the requirement of the Insurance Ordinance, 2002 were not complied with.

Our opinion is not qualified in respect of above mentioned matters.
